4H/FFA/OPEN PUBLIC SPEAKING CONTEST

Saturday, September 22, 2018 – Time 2 PM

Stoddard County Fairgrounds - Dexter, Missouri

The Stoddard County Fair Public speaking Contest is designed to develop agricultural leadership, provides for member participation in agricultural public speaking activities, and stimulates interest in leadership and citizenship. The final contest for the Sr. Division will be held in connection with the Missouri Association of Fairs and Festivals (MAFF) Annual Convention, scheduled at the Holiday Inn Executive Center, Columbia, MO.

I. GENERAL PLAN

All preliminary contests are for local participation and are held under the direction of the county fair concerned. These events finalize in the state contest held at the MAFF annual convention. All county contests must follow same rules as the MAFF Public Speaking Contest finals.

II. ELIGIBILITY

1. The state contest will be limited to participation by any 4-H/FFA/Open member, grades 9 through 12 during the current school year. Previous state winners (first place, second place, or third place) will not be eligible to compete again.
2. Each contestant's manuscript will be the result of the student's OWN EFFORTS. It is expected that each contestant will take advantage of all available training facilities in their local area in developing their speaking ability. Facts and working data may be secured from any source BUT MUST BE RELATED TO FAIRS AND AGRICULTURE. Topics of a non-agriculture nature will be disqualified.
3. **Contestants who compete must submit to the Fair Board Secretary the following materials:**
 - a. Four double-spaced typewritten copies of their speech on 8 1/2 x 11 paper each copy bound by a staple.
 - b. A complete and accurate bibliography used in writing the speech.
 - c. A signed copy of the originality form as provided.
 - d. All contestants in the MAFF Public Speaking Contest shall give credit to others where any direct quotes, phrases, or special dates are used in their manuscript in order to not be guilty of plagiarism. Failure to do so will automatically disqualify a contestant.

The above materials MUST BE DELIVERED TO THE FAIR BOARD SECRETARY AT THE FAIR GROUNDS ON Sunday, September 16, 2018 between 1 PM and 4 PM.

III. TIME LIMIT

Each speech shall be a minimum of six (6) minutes in length and a maximum of eight (8) minutes. Each contestant will be allowed five (5) additional minutes in which judges will ask questions relating to their presentation. Deductions of 1 point per second will be made from the score of each judge for speeches under six minutes or over eight minutes.

IV. METHOD OF SELECTING WINNER

1. Three competent and impartial judges will be selected to judge the contest. Prior to the contest each judge will be provided a copy of each manuscript which they will read and score on content and composition on the score sheet provided.
2. Contestants will draw for position. The contest chairman will introduce each contestant by name and number. Applause shall be withheld until all contestants have spoken.
3. One time keeper will be assigned to record time used by each contestant noting underage or overage for which deductions should be made.
4. At the time of the contest each judge will score each contestant on their delivery using score sheet provided. A contestant may use notes during their presentation however deductions may be made for this practice if it distracts from the effectiveness of the delivery.
5. Judges shall formulate and ask questions that pertain directly to each contestant's subject. Judges will score each contestant based in their ability to answer ALL questions ask by ALL judges. The full five minutes will be used.
6. Contestants will be ranked in numerical order based on final score as determined by the judges. Finalists will be selected whose scores ranked highest by each judge. Additional winners are selected using same basis (highest total points on scorecard method). Judges will then rank contestants as 1, 2, 3 with highest total declared winner. In the case of a tie, at the contestant who has the highest grand total score shall have prior rating.
7. When contestants have finished speaking each judge will total their score on composition and delivery. The time keepers record will be used in completing the final score.

V. Representation

The winner of the senior division shall be eligible to give their speech at the Missouri Association of Fairs and Festivals (MAFF) held in Columbia, Missouri. If an entrant has already won a MAFF contest he/she may present their speech as practice & not for judging.
